## Scouting for Food

In November-December, the troop went out in the cold and put plastic bags for Scouting for Food. The food that was to be collected would be sent to Portsmouth, Ohio. In all, we collected approximately 185 items. We then loaded up the big truck that Seton Parish had and the food was then sent to needy families in Portsmouth.

## Mind Testers

You do not want to have it, but when you do have it, you do not want to lose it. What is it?

What goes up but never comes down?

How can you add 2 to 11 and get 1 as the answer?

What is it the more you take the more you leave behind?

The one who bought it never used it, the one who used it never saw it, and the one who made it didn't want it. What is it?
