## Nagatamen

For those who do not know already, Nagatamen is a National Youth Leadership Training course that teaches you all the skills of how to be a good leader. This year, three scouts participated this week-long camp: Jacob, Chase, and Hayden. However, Mr. Segelken, Jack, Jeremy, and Josh were staff there. I highly recommend Nagatamen to any scout willing to go.

## Scout of the Month

The scout of the month is an award given to a scout that shows true scout spirit wherever he goes. This month's Scout of the Month goes to Garrett Cox. Garrett earns this award because he is always ready to try new things. For example, at Summit, Garrett was a bit skeptical at trying BMX. But once he tried it, we couldn't get him off of it!

## Summit Bechtel Reserve Campout

Earlier in July, part of the troop drove all the way out to Summit Bechtel Reserve to campout there for 3 days on a Mountaineering Weekend. While there the troop participated in various high-adventure activities such as: Canopy Tours, BMX, Mountain Biking, Zip Lining, Rock Climbing, Rappelling, Skateboarding, and High Ropes Courses! Yeah, that is a LOT of activities! Yet, there's even more that we weren't able to participate in. This was an incredible trip with beautiful scenery, memories, and tents. Yes, the tents were HUGE there! Did I forget to mention there was Wi-Fi?!

This is how big the tents were at Summit.

## Logan's Eagle Project

Over the past few weekends, members of the troop have gathered to help with Logan's Eagle Project.

The project was to put up and repair the corrals for the Seton Parish Festival.

## Summer Camp!

Its has come, it has gone, and it was wet. The annual Summer Camp was a blast for everyone who attended. From the open-program merit badges, to the camp-wide games, to the pool parties, everybody had something they enjoyed. What was also amazing was the amount of merit badges that the scouts earned! Kenny Ramos even earned a total of 8 BADGES!
