Scout of the Month

The scout of the month is an award given to a scout that shows true scout spirit wherever he goes. This month's Scout of the Month goes to Jeremy. Now I know what you're thinking, "How could **Jeremy** possibly have won?" Well Jeremy is one of the Troop Guides and he puts in a lot of effort to teach the new scouts the skills that they need to learn. Plus, he puts up with the jokes we pull on him, so for that he deserves to be May's Scout of the Month.

Seton Parish Clean Up

On April 4th, the troop helped Seton Parish clean up the gardens around the church. We cleaned up the mulch beds, raked out all the dead leaves and branches, and pulled up weeds. All of this so that when Seton Parish put down their mulch it would look very pretty. The church thanked us for our actions later that week.
